Routing Clips

A quick, economical method of fastening wires, tubes, hoses or rods from 1/4" to 1" diameter to metal, plastic or any other surface ranging from 1/32" to 1/8" thickness. Clips are molded of durable black nylon plastic. They snap into 1/4" diameter holes and are held firmly in place by flexible "snubber tips" which compensate for variation in wall thickness.

Auveco Part No.	Tube/Hose/Wire Outside Diameter	Clip Overall Height	Clip Height Above Panel	Unit Pkg.
14529	1/4"	27/32"	7/16"	25
