## WEATHER-SEAL WRAP

Our Weather-Seal Wrap is a clear, plastic film that has an adhesive on one side that is strong enough to hold the wrap in place on almost any surface and seal out contaminants, yet it can be easily removed without pulling off paint, leaving adhesive residue or damaging the surface. With it you can seal out rain, snow, wind and dirt when windshields or door glass has been broken. In addition, Weather-Seal Wrap can be used to protect vehicle carpet and upholstery from soiling and spills. Apply it to paint booth walls and prevent over spray from discoloring white walls. Weather-Seal Wrap has 3 mils of plastic protection to preserve finishes that it covers so it can also be used as a temporary, protective coating against light abrasions.
